**“BLESSING, CURSE OR CO-INCIDENCE”**

**Part 1 'Israel - The Womb of the Kingdom of God on Earth'**

Part 1 of 3 documentaries presented by Lance Lambert. He examines the Lord’s purpose for the redemption of mankind and the eradication of evil from the Earth. Lance looks at the destiny of Israel and the Jewish people, and particularly His Messiah, in the establishment of the Kingdom of God on Earth. The films chart the fate of nations, empires and individuals who oppose the purposes of God, and especially those who come against His people Israel in doing so. We discover something of the spiritual root of the world’s longest hatred — anti-Semitism — and how God has judged it according to His promise to Abraham “I will bless those who bless you, and him who curses you I will curse.” Gen12:3 Study notes available. See Marianne
